

National Labor Relations Board

§ 102.141

open to public observation. The vote shall be taken at a time sufficient to permit inclusion of information concerning the open or closed status of the meeting in the public announcement thereof. A single vote may be taken with respect to a series of meetings at which the deliberations will concern the same particular matters where such subsequent meetings are scheduled to be held within thirty days after the initial meeting. A record of such vote, reflecting the vote of each member of the Board, shall be kept and made available to the public within one day after the vote is taken.

(c) Whenever any person whose interests may be directly affected by deliberations during a meeting, or a portion thereof, requests that the Board close that meeting, or portion thereof, to public observation for any of the reasons specified in 5 U.S.C. 552b(c)(5) (matters of alleged criminal conduct or formal censure), (c)(6) (personal information where disclosure would cause a clearly unwarranted invasion of personal privacy), or (c)(7) (certain materials or information from investigatory files compiled for law enforcement purposes), the Board members participating in the meeting, upon request of any one of its members, shall vote on whether to close such meeting, or a portion thereof, for that reason. A record of such vote, reflecting the vote of each member of the Board participating in the meeting shall be kept and made available to the public within one day after the vote is taken.

(d) After public announcement of a meeting as provided in §102.141 of this part, a meeting, or portion thereof, announced as closed may be opened, or a meeting, or portion thereof, announced as open may be closed, only if a majority of the members of the Board who will participate in the meeting determine by a recorded vote that Board business so requires and that an earlier announcement of the change was not possible. The change made and the vote of each member on the change shall be announced publicly at the earliest practicable time.

(e) Before a meeting may be closed pursuant to §102.139, the solicitor of the Board shall certify that in his or her opinion the meeting may properly

be closed to public observation. The certification shall set forth each applicable exemptive provision for such closing. Such certification shall be retained by the agency and made publicly available as soon as practicable.

§ 102.141 Notice of meetings; public announcement and publication.

(a) A public announcement setting forth the time, place and subject matter of meetings or portions thereof closed to public observation pursuant to the provisions of §102.139(a) of this part, shall be made at the earliest practicable time.

(b) Except for meetings closed to public observation pursuant to the provisions of §102.139(a) of this part, the agency shall make public announcement of each meeting to be held at least 7 days before the scheduled date of the meeting. The announcement shall specify the time, place and subject matter of the meeting, whether it is to be open to public observation or closed, and the name, address, and phone number of an agency official designated to respond to requests for information about the meeting. The 7 day period for advance notice may be shortened only upon a determination by a majority of the members of the Board who will participate in the meeting that agency business requires that such meeting be called at an earlier date, in which event the public announcements shall be made at the earliest practicable time. A record of the vote to schedule a meeting at an earlier date shall be kept and made available to the public.

(c) Within one day after a vote to close a meeting, or any portion thereof, pursuant to the provisions of §102.139(b) of this part, the agency shall make publicly available a full written explanation of its action closing the meeting, or portion thereof, together with a list of all persons expected to attend the meeting and their affiliation.

(d) If after public announcement required by paragraph (b) of this section has been made, the time and place of the meeting are changed, a public announcement shall be made at the earliest practicable time. The subject matter of the meeting may be changed

after the public announcement only if a majority of the members of the Board who will participate in the meeting determine that agency business so requires and that no earlier announcement of the change was possible. When such a change in subject matter is approved a public announcement of the change shall be made at the earliest practicable time. A record of the vote to change the subject matter of the meeting shall be kept and made available to the public.

(e) All announcements or changes thereto issued pursuant to the provisions of paragraphs (b) and (d) of this section, or pursuant to the provisions of § 102.140(d), shall be submitted for publication in the FEDERAL REGISTER immediately following their release to the public.

(f) Announcements of meetings made pursuant to the provisions of this section shall be made publicly available by the executive secretary.

§ 102.142 Transcripts, recordings or minutes of closed meetings; public availability; retention.

(a) For every meeting or portion thereof closed under the provisions of § 102.139 of this part, the presiding officer shall prepare a statement setting forth the time and place of the meeting and the persons present, which statement shall be retained by the agency. For each such meeting or portion thereof there shall also be maintained a complete transcript or electronic recording of the proceedings, except that for meetings closed pursuant to § 102.139(a) the Board may, in lieu of a transcript or electronic recording, maintain a set of minutes fully and accurately summarizing any action taken, the reasons thereof and views thereon, documents considered, and the members' vote on each roll call vote.

(b) The agency shall make promptly available to the public copies of transcripts, recordings or minutes maintained as provided in accordance with paragraph (a) of this section, except to the extent the items therein contain information which the agency determines may be withheld pursuant to the provisions of 5 U.S.C. 552(c). Copies of transcripts or minutes, or transcripts of electronic recordings in-

cluding the identification of speakers, shall to the extent determined to be publicly available, be furnished to any person, subject to the payment of duplication costs in accordance with the schedule of fees set forth in § 102.117(c)(2)(iv), and the actual cost of transcription.

(c) The agency shall maintain a complete verbatim copy of the transcript, a complete electronic recording, or a complete set of the minutes for each meeting or portion thereof closed to the public, for a period of at least one year after the close of the agency proceeding of which the meeting was a part, but in no event for a period of less than two years after such meeting.
